

Online International Lecture Series -1

Biomass Valorization and Bioprocessing Technologies

November 2, 2021 (10.20 am to 12. 15 pm, Estonia Time)

Moderator of lecture series:

Prof. Rajeev Bhat, Ph.D.

Professor, ERA-Chair in VALORTECH
Estonian University of Life Sciences, Tartu, Estonia
Time: 10.20 am (Welcome note)

Speakers:

Prof. Jesus Simal-Gandara, Ph.D.

Food Science Lab, Analytical Chemistry and Food Science Dep.
University of Vigo - Ourense Campus, Spain

Topic: *Qualitative and quantitative metabolomics for ingredient valorization*
Time: 10.30 am- 11.20 am

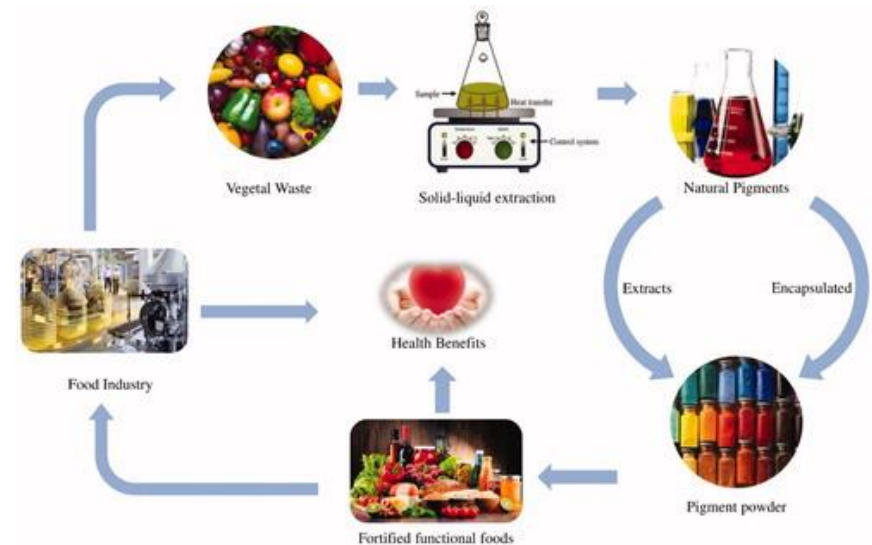

Prof. Elena G. Kovaleva, Ph.D.

Institute of Chemical Engineering,
Ural Federal University, Yekaterinburg, Russia

Topic: *Natural Deep Eutectic Solvents in Extraction of Biologically Active Compounds*
Time: 11. 25 am -12.15 pm

By attending the lecture series organized under the ERA-Chair in VALORTECH (Estonian University of Life Sciences), all the participants (*researchers, students, public, and related stakeholders*) will get an updated overview of various technologies employed in valorization of agri-food wastes, present challenges and on future scope.
